

SHE ACCOMPLISHED HER AIM

MRS. EFFA MANLEY

Secretary, business manager and co-owner with her husband, Mr. Abraham Manley, of the Newark Eagles baseball club has lived to achieve one of her greatest desires in life when her club last week cinched the Negro National League pennant which automatically made her team the national champs, bringing this honor to New Jersey for the first time in history.

Miss Langston said further, "By tossing verbal brickbats at Bilbo, Mr. Dewey desires to don the toga of liberalism. But by his deeds in office, we know him to be cloaked in reaction and bigotry. The testimony of young Harris and his father, who fled with him from what would have been certain death in Winden Louisiana, was of such a posi-
